BEACH-HEAD II™

Strategy Arcade Game

By Roger and Bruce Carver

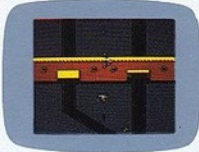

NEW!

The war time drama of the award winning game Beach-Head continues with Beach-Head II "The Dictator Strikes Back."

Beach-Head II pits allied forces against the cruel dictator, who escaped the destruction of the fortress and fled into the tropical forest with portions of his army and prisoners captured during the land battle. The player must locate and penetrate the heavily armed sanctuary, capture the dictator, and free the prisoners.

Beach-Head II is a true "Head-to-Head" two player game with voice simulation and superb multiscreen graphics.

RAID OVER MOSCOW™

Strategy Arcade Game

By Bruce Carver

AWARD WINNER

The Soviets launch a nuclear strike against major cities in the United States and Canada. With our own nuclear arsenal dismantled, in accordance with the Salt IV Arms Agreement, the Soviets believe their treachery will lead to total world domination. Our only hope is our space station equipped with stealth bombers, which can fly undetected in Soviet airspace. As squadron leader, you must lead your commandos on a virtual suicide mission. You must first knock out the Soviet launch sites and then proceed into the city of Moscow. Armed with only the weapons you can carry, you must lead a commando assault on the Soviet defense center and destroy it to stop the attack. Top multiscreen action!

MACH 5™

CARTRIDGE AND DISK COMMODORE 64/1541 ENHANCEMENT PACKAGE

MACH 5 is designed to increase the power and flexibility of your Commodore 64 with 1541 disk. (Both a cartridge and disk are included in this package.)

MACH 5 CARTRIDGE

You have more important things to do than wait for your disk drive to load your favorite program. MACH 5 CARTRIDGE will load programs up to 5 times faster than normal. Plug MACH 5 into the cartridge port and turn on the computer. That's all there is to it. Compare these features with other "fast loaders."

- Load programs up to 500% faster.
- Full help menu at the touch of a key.
- Eliminate 1541 disk drive rattle.
- Print screen (screen dump to printer).
- Restore basic program (old).
- List disk directory without erasing program in memory.
- Pause or exit from directory listing.
- Execute short hand load commands from directory.
- Auto run any basic program.
- Open and close printer channels with a single key.
- Disable and re-enable features without turning off computer.
- Compatible with all popular printers.
- Send dos command (@).
- Load virtually 95% of all software, even copy protected games.
- Completely transparent. Does not disturb ram.

MACH 5 DISK

Included on the MACH 5 DISK are two powerful programs designed to make life with your Commodore 64 and disk drive more pleasant.

DISK ORGANIZER is the finest disk cataloger/manager available for the Commodore 64. Disk organizer will automatically extract directory information from your library of disks and catalog the files for future reference. Capabilities include: Name or partial name search • Full catalog display or print (sorted) • Individual directory display or print • File type display or print • Screen dump to printer.

BASIC PLUS 4K copies and switches out the existing Basic and Kernal Roms to provide an extra 4K bytes of additional Basic workspace. BASIC PLUS 4K is completely compatible with CBM Basic Version 2.

Both Disk Organizer and Basic Plus 4K are compatible with MACH 5 CARTRIDGE.
